1 Definitions

1.1 'Safeguarding' is defined in Keeping Children Safe in Education (2021) as;

- protecting children from maltreatment;
- preventing the impairment of children's mental and physical health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

1.2 'Child Protection' is the intervention that occurs when children have been significantly harmed or are at risk of significant harm.

1.3 'Child' refers to everyone under the age of 18.

1.4 'Parent' refers to birth parents and other adults in a parenting role for example adoptive parents, step parents and foster carers.

1.5 'Staff' or 'members of staff' refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Southfields Primary School.

2 Introduction

2.1 We recognise that safeguarding and child protection is an essential part of our duty of care to all students and all staff have a responsibility to provide a safe environment in which children can learn. We understand that safeguarding, child protection and promoting the welfare of all children is everyone's responsibility and everyone has a role to play in protecting children. We recognise that our school is part of a wider safeguarding system for children and work closely with other agencies to promote the welfare of children. We maintain an attitude of 'it could happen here' and will consider the wishes of, and at all times, what is in the best interests of each child.

2.2 The purpose of this policy is to;

- Promote safeguarding and child protection and to demonstrate Southfields Primary Schools commitment to keeping children safe;
- Provide all members of staff with the information required to meet their safeguarding duty and protect children from harm;
- Provide stakeholders with clear information relating to Southfields Primary School safeguarding and child protection procedures;

- Ensure that staff understand, can recognise and can respond to the indicators of abuse;
- Ensure that all staff are aware of their mandatory reporting duty in relation to Section 5B of the Female Genital Mutilation Act 2003; and
- Ensure that children are protected from maltreatment or harm.

2.3 Southfields Primary School is committed to the following principles;

- All children have the right to be protected from harm.
- Children should feel safe and secure and cannot learn unless they do so.
- All staff are responsible for keeping children safe and have a responsibility to act if they think a child is at risk of harm.
- All staff take on a responsibility to promote children's welfare
- Working with other agencies is essential to promote safeguarding and protect children from harm.
- Early help and providing support to families and/or children as soon as a problem emerges is essential to improving outcomes for children and families.

2.4 Safeguarding aims

2.4.1 The safeguarding aims of Southfields Primary School, in line with Keeping Children Safe in Education (September 2021) are to;

- work to identify children who are suffering or likely to suffer abuse, exploitation or neglect and act to protect them;
- work with relevant services and agencies to ensure that children are protected from harm;
- provide a learning environment for children which is safe and secure;
- teach children how to keep themselves safe and provide structures for them to raise concerns if they are worried or at risk of harm;
- support children's mental health and wellbeing;
- ensure that we adhere to safer recruitment guidance and legislation, deal promptly with allegations of abuse against staff and take bullying and harassment seriously;
- train staff effectively in all safeguarding issues (including online safety) and in their responsibilities for identifying and protecting children that are or may be at risk of harm;
- have a designated safeguarding lead and designated deputies, who will provide support to staff, students and families;
- recognise that all children may be vulnerable to abuse, but be aware that some children have increased vulnerabilities due to special educational needs or disabilities;
- maintain a robust recording system for any safeguarding or child protection information;
- ensure that everyone at Southfields Primary School understands the safeguarding procedures; and to

- regularly review policies and procedures to ensure that children are protected to the best of our ability.

2.5 This policy adheres to the following documents;

- [Keeping Children Safe in Education \(2021\)](#)
- [Working Together to Safeguard Children \(Parts updated December 2020\)](#)
- [Guidance for Safer Working Practice for those working with children and young people in education settings \(May 2019\)](#)
- [Guidance for Safer Working Practice for those working with children and young people in education settings addendum \(April 2020\)](#)
- [What to do if you are worried a child is being abused: Advice for practitioners \(2015\)](#)
- [Sexual Violence and Sexual Harassment Between Children in Schools and Colleges \(September 2021\)](#)

2.6 Keeping Children Safe in Education remains in force throughout the Covid-19 emergency period. In addition, we have regard to non-statutory interim guidance on safeguarding schools, colleges and other providers during the coronavirus outbreak. We continue to work closely with the Local Authority and the Coventry Safeguarding Children Partnership to safeguard children during this time.

2.7 Please note that there are a number of other documents (statutory and non-statutory) that inform our policy and practice. A list of these can be found in Annex B of Keeping Children Safe in Education (September 2021).

2.8 This policy should be read in conjunction with the following policies;

Safer Recruitment

2.9 Scope

2.9.1 This policy applies to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Southfields Primary School. All references in this document to 'staff' or 'members of staff' should be interpreted as relating to the aforementioned unless otherwise stated.

2.9.2 Rather than duplicating content from Keeping Children Safe in Education (September 2021) in this policy, it should be understood that Southfields Primary School will always refer to this document as the benchmark for all safeguarding practice.

3 Roles and Responsibilities

3.1 The Role of the Governing Body

3.1.1 The school has a Governing Body lead to take leadership responsibility for safeguarding. This role is carried out by Karen Sutton (Part 2 of Keeping Children Safe in Education (September 2021) sets out the responsibilities of governing bodies. As part of these overarching responsibilities the Governing Body will;

- Have a strategic leadership responsibility for Southfields Primary School safeguarding arrangements;
- Ensure that they comply with their duties under legislation;
- Ensure a whole school approach to safeguarding, including the use of mobile technology in school;
- Ensure that policies, procedure and training in Southfields Primary School are effective and comply with the law at all times and that they allow concerns to be responded to in a timely manner;
- Ensure that Southfields Primary School takes into account local authority and Coventry Safeguarding Children Partnership policies and supply information as requested by the safeguarding partners (the Local Authority, a clinical commissioning group for an area within the local authority and the chief office of police for a police area within the local authority);
- Ensure that Southfields Primary School has an effective child protection policy, that it is published on Southfields Primary School website or available by other means and review this annually;
- Ensure that Southfields Primary School has a staff behaviour policy or Code of Conduct;
- Ensure that all staff undergo safeguarding and child protection training on induction (including online safety);
- Ensure Southfields Primary School contributes to multi-agency working in line with statutory guidance;
- Ensure that there are clear systems and processes in place for identifying when children may be experiencing mental health problems;
- Ensure that children are taught about safeguarding, including online safety as a whole School approach and curriculum planning but recognising that a one size fits all approach may not be appropriate for all children. See section 12 of this policy for further information;
- Put in place appropriate safeguarding responses for children who go missing from education;
- Appoint an appropriate member of staff from the senior leadership team to the role of Designated Safeguarding Lead;
- Understand the local criteria for action and local protocol for assessment;
- Recognise the importance of information sharing between practitioners and local agencies;
- Ensure that appropriate filters and monitoring systems are in place to keep children safe online; and
- Respond to allegations of abuse against the headteacher whilst ensuring there are procedures in place to manage safeguarding concerns, or allegations against staff (including supply staff, volunteers and contractors).

3.2. The Role of the Headteacher

3.2.1 The headteacher will;

- Ensure that this policy is reviewed annually at minimum and ratified by the governing body;
- Ensure that this policy and associated procedures are adhered to by all staff;
- Ensure that all staff are made aware of the named governor for safeguarding and the Designated Safeguarding Lead;
- Ensure that the role of 'Designated Safeguarding Lead' is explicit in the role-holder's job description;
- Decide whether to have one or more deputy safeguarding leads and ensure they are trained to the same standard as the Designated Safeguarding Lead;
- Organise appropriate cover for the role of Designated Safeguarding Lead for any out of hour/out of term activities;
- Appoint a 'Designated Teacher for Looked-After and Previously Looked-After Children' to promote the educational achievement of children looked after;
- Appoint a lead for online safety;
- Promote a whole school approach to safeguarding;
- Promote resilience to social and emotional wellbeing, which is tailored to the needs of the children;
- Ensure that all recruitment follows the 'Safer Recruitment' guidance and a single, central record is maintained with details of all members of staff who are in contact with children;
- Respond to allegations of abuse against all other members of staff including supply staff, volunteers and contractors;
- Refer cases where a person is dismissed or left due to risk/harm to a child to the Disclosure and Barring Service as required;
- Ensure that the school works with Children's Services, the police, health services and other services to; promote the welfare of children; provide a co-ordinated offer of early help when need is identified; contribute to inter-agency plans for children subject to children protection plans and to protect children from harm;
- Safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties (Teaching Standards, 2012); and
- Ensure that children's Services (from the host local authority or placing authority) have access to Southfields Primary School to conduct, or to consider whether to conduct a section 47 or section 17 assessment, as per Keeping Children Safe in Education (September 2021).

3.3 The Role of the Designated Safeguarding Lead

3.3.1 The Designated Safeguarding Lead for Southfields Primary School is Mrs Lucy Ledbrooke. The Designated Safeguarding Lead will;

- Take overall lead responsibility for safeguarding and child protection (including online safety) in Southfields Primary School
- Liaise with the safeguarding partners and work with other agencies in line with Working Together to Safeguard Children (2020);
- Always be available during term time (during school hours) for staff in Southfields Primary School to discuss safeguarding concerns. In the event that they are not available, a deputy will be made available;
- Undergo training to provide them with the knowledge and skills required to carry out this role and update this every two years;
- Act as a source of support and expertise on matters relating to safeguarding and child protection to ensure that other members of staff can carry out their safeguarding duty;
- Be best placed to advise on the response to safeguarding concerns;
- Identify if children may benefit from early help;
- Act as a point of contact with the safeguarding partners;
- Make referrals to Coventry's Multi-Agency Safeguarding Hub (MASH) where children are at risk of significant harm.
- Make referrals to the Channel programme where there is a radicalisation concern and/or support staff that make a referral to Channel;
- Support the school with regards to their responsibilities under the Prevent duty and provide advice and support on protecting children from radicalisation;
- Refer cases to the police where a crime may have been committed!;
- Ensure all staff have read and understood Part 1 and/or Annex A of Keeping Children Safe in Education (September 2021);
- Update their knowledge and skills regularly and keep up with any developments relevant to their role;
- Provide staff in school with the knowledge, skills and support required to safeguard children;
- Take responsibility for the accurate and timely recording of safeguarding and child protection concerns and take overall responsibility for safeguarding and child protection files;
- Take responsibility for the transfer of safeguarding files when a child leaves Southfields Primary School;
- Attend or ensure an appropriate representative attends multi-agency safeguarding or child protection meetings;
- Promote supportive engagement with parents and/or carers in safeguarding and promoting the welfare of children;
- Work closely with other relevant education professionals (e.g. SENCO, Virtual School Head) to ensure children with additional vulnerabilities are safeguarded;
- Help to promote educational outcomes of child who have experienced or are experiencing safeguarding or child protection issues by sharing relevant information with teachers and the school leadership team;
- Promote a 'culture of safeguarding', in which every member of Southfields Primary School community acts in the best interests of the child;

- Ensuring Southfields Primary School knows who its cohort of children or have or have had a social worker are, understanding their academic progress and attainment, and maintaining a culture of high aspirations;
- Regularly meet with the safeguarding link governor and/or Chair of Governors to review safeguarding in *the school*; and
- Liaise with the headteacher regarding safeguarding cases and issues.

3.3.2 Further details on the role of the Designated Safeguarding Lead can be found in Annex C of Keeping Children Safe in Education (September 2021).

3.4 The Role & Responsibilities of all Staff within School

3.4.1 School staff play a particularly important role because they are in a position to identify concerns early in order to provide help for children. All staff at Southfields Primary School;

- Have a responsibility to provide a safe environment, where children can learn;
- Should know what to do if a child tells them that he/she is being abused, exploited or neglected;
- Will be able to identify indicators of abuse;
- Will be made aware of; the safeguarding and child protection policy; the school behaviour policy; the staff behaviour policy; information about the safeguarding response to children missing in education; the role of the designated safeguarding lead and systems in Southfields Primary School that support safeguarding and child protection;
- Will be provided with a copy of Part 1/Annex A of Keeping Children Safe in Education (September 2021) annually and receive annually updated training on their safeguarding roles and responsibilities;
- Should have an awareness of safeguarding issues that put children at risk of harm and behaviours associated with these risks;
- Should know what to do if a child makes a disclosure of abuse and never promise confidentiality when a child makes a disclosure;
- Will be made aware of the early help process and understand their role in it;
- Should be prepared to identify children who may benefit from early help and will discuss early help requirements with the safeguarding lead in the first instance;
- May be required to support social workers and other agencies following a referral;
- Will be made aware of the process for making referrals to Children's Services (though the MASH), understand statutory assessments and the role that they may be expected to play in such assessments;

- Should be prepared to make referrals to the MASH if they have concerns about a child's welfare and understand the role that they may be expected to play in such assessments;
- Will receive regularly updated safeguarding and child protection training including online safety;
- Will receive safeguarding updates throughout the year as part of continuous professional development;
- Should be able to contribute to the development of safeguarding policy and practice.
- Should always seek advice from the Designated Safeguarding Lead if they are unsure; and
- All teachers should safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties (Teaching Standards, 2012).

3.5 Multi-Agency Working

3.5.1 The school is committed to multi-agency working and operates under Working Together to Safeguard Children (2018) and local safeguarding arrangements.

3.5.2 The school will work with Children's Services the police, health services, local Early Help practitioners and other relevant agencies to promote the welfare of children and protect them from harm.

3.5.3 We work closely with our local Family Hub to ensure children receive appropriate, co-ordinated Early Help

3.5.4 The Coventry Safeguarding Children Partnership (CSCP) have designated that schools and colleges are a named 'relevant agency'. As such, the school is under a statutory duty to co-operate with published CSCP arrangements.

4 Types of abuse

4.1 As outlined above, all staff will be trained in indicators of abuse and should be able to recognise signs of abuse. We recognise that abuse, neglect and safeguarding issues are complex and can rarely be covered by one label. Abuse can take many forms and can involve directly inflicting harm on a child or failing to protect a child from harm online as well as face to face.

The four main types of abuse that staff are trained to recognise are;

- Physical abuse;
- Sexual abuse;

- Emotional abuse;
- Neglect.

4.2 Types of abuse (Taken from Keeping Children Safe in Education, 2021)

Type of abuse	Information
Abuse	A form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults, or another child or children.
Physical abuse	A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
Emotional abuse	The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional

	<p>abuse is involved in all types of maltreatment of a child, though it may occur alone.</p>
Sexual abuse	<p>Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level (delete) of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.</p> <p>The sexual abuse of children by other children is a specific safeguarding issue in education and all staff should be aware of it and of Southfields Primary School policies and procedures for dealing with it.</p>
Child sexual exploitation (CSE)	<p>CSE is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victim needs or wants, (b) for the financial advantage or increased status of the perpetrator or facilitator and/or through violence or the threat of violence. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology.</p>

Neglect	The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy, for example, as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.
---------	---

4.3 Indicators of abuse can be found in **Appendix B**.

4.4 If a child is in immediate danger or at risk of harm, a referral will be made to children's services (through the MASH) and any member of staff can make this referral. A Designated or Deputy Designated Safeguarding Lead should be available at all times, but in exceptional circumstances the member of staff should speak to a member of the Senior Leadership Team or seek advice directly from Children's Service and then take appropriate action. The Designated Safeguarding Lead should be made aware as soon as possible.

4.5 Staff, parents and the wider community should report any concerns that they have about the welfare of children, however minor or seemingly insignificant. Staff should not assume that someone else will report concerns.

4.6 The school recognises that any child can be the victim of abuse and may benefit from early help. However, the school will be particularly vigilant to potential need for early help if a child;

- is disabled or has certain health conditions and has specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan);
- has a mental health need;
- is a young carer;

- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines;
- is frequently missing/goes missing from care or from home;
- is a risk of modern slavery, trafficking, sexual or criminal exploitation;
- is misusing drugs or alcohol themselves;
- has a family member in prison, or is affected by parental offending;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is at risk of 'honour-based' abuse such as Female Genital Mutilation or Forced Marriage;
- is persistently absent from education, including persistent absences for part of the school day.
- is a privately fostered child.²

4.7 Southfields Primary School recognises that abuse can take many different forms. Staff will also receive training on the following issues and action will be taken if Southfields Primary School believes that a child is at risk of or is the victim of;

- bullying, including cyber- or online-bullying;
- child criminal exploitation (including involvement in county lines);
- child sexual exploitation;
- domestic abuse;
- emotional abuse;
- fabricated or induced illness;
- faith-based abuse;
- female genital mutilation;
- forced marriage;
- gangs or youth violence;
- gender-based violence;
- hate;
- mental health;
- neglect;
- peer on peer abuse;
- physical abuse;
- radicalisation;
- relationship abuse;
- serious violence and harassment;
- sexual abuse;
- sexual violence or sexual harassment (including peer on peer abuse);

- sharing of consensual or non-consensual nude and semi-nude images/videos;
- So-called 'honour-based' abuse;
- trafficking and modern slavery.

4.8 Southfields Primary School will also take action to protect;

- Children missing education;
- Children missing from home or care.

4.8.1 There are other familial issues that can have a detrimental impact on children.

We work with other agencies in line with Keeping Children Safe in Education (2021) to support children and families in the following circumstances;

- Children facing the court procedures and/or children in the court system;
- Children with family members in prison;
- Children who are homeless;
- Children who need a social worker.

4.9 Child potentially at greater risk of harm

4.9.1 Southfields Primary School recognises that some children need a social worker due to abuse, neglect or complex family circumstances and that abuse and trauma can leave children vulnerable to further harm, as well as educational disadvantage.

4.9.2 The Designated Safeguarding Lead will hold information relating to social workers working with children in the school.

4.9.3 This information will inform decisions about safeguarding and promoting welfare (including the provision of pastoral and/or academic support).

4.10 Children missing from Education

4.10.1 Southfields Primary School understands that children missing from education can be a warning sign to a variety of safeguarding concerns.

4.10.2 Southfields Primary School will report information to the Local Authority when removing a child from roll.

4.11 Elective Home Education

4.11.1 Southfields Primary School recognises that many home educated children have a positive learning experience and the decision is one with the child's best interests at heart.

4.11.2 Since 2016, Southfields Primary School has a statutory duty to inform the Local Authority of all deletions from roll. When Elective Home Education is the reason for this removal, the Local authority and other key professionals will work alongside Southfields Primary School to coordinate a meeting with parents where possible ideally before a final decision is made.

4.12 Mental Health

4.12.1 The school recognise that safeguarding and promoting the welfare of children includes preventing the impairment of children's mental health or development.

4.12.2 All staff will be aware that mental health problems may be an indicator that a child is suffering or is at risk of suffering abuse, neglect or exploitation.

4.12.3 Staff will not attempt to make a diagnosis of a mental health problem unless they are appropriately trained.

4.12.4 We recognise that staff are well-placed to observe behaviour that may indicate that a child is experiencing a mental health problem, or is at risk of developing one. There are clear systems and processes in place for identifying possible mental health problems. If staff are concerned that a child is suffering a mental health problem, they should speak to the SENCO, mental health lead and the DSL who will speak to parents and refer where appropriate to CAMHS, the family GP and Dr George Harris – Clinical Psychologist.

4.12.5 If staff are concerned that a child is experiencing a mental health problem that is also a safeguarding concern, they must report this to the Designated Safeguarding Lead (or deputy Designated Safeguarding Lead) immediately.

4.12.6 Teaching about Mental Health

The skills, knowledge and understanding needed by children, to keep themselves mentally healthy and safe, are included as part of our developmental PSHE curriculum. The specific content of lessons is determined by the specific needs of the cohort but alongside the PSHE Association Guidance and Protective Behaviours to ensure that mental health and emotional wellbeing issues are taught in a safe and sensitive manner.

Through reflection and positive discussion, the children are given opportunities to talk through a wide range of issues relating to our modern world as well as improving their own state of mindfulness. Southfields Primary Schools Mental Health policy reflects the overall school aims, GARK values, and ethos of the school. It is linked to safeguarding, British values, rights and responsibilities, relationship education and the importance of physical activity and diet for a healthy lifestyle. The children are given the tools to develop their resilience, self-confidence, identity, and relationships.

Targeted support

Southfields Primary School offers support through targeted approaches for individual pupils or groups of pupils which may include: Circle time approaches or 'circle of friends' activities, targeted use of emotional literacy resources, managing feelings resources e.g. 'worry boxes' and 'worry eaters', managing emotions resources such as 'the incredible 5 point scale', Primary Group Work/Mental health and wellbeing groups, therapeutic activities including art, Lego therapy and relaxation and mindfulness techniques.

The school makes use of resources to assess and track wellbeing as appropriate (See Staff and Pupil Wellbeing Policy).

The policy supports the mental health and wellbeing of children with SEND, especially those with issues related to mental health. The school follows the SEND policy with regards to identifying, supporting and signposting these children.

[Mental Health](#)

4.12.7 Further information, guidance and advice regarding mental health can be found in paragraph 41 of Keeping Children Safe in Education 2021.

4.13 Southfields Primary School have a duty to refer any children who are living in a private fostering arrangement to the local authority.

4.14 All schools are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 in the exercise of their functions to have "due regard" to the need to prevent people from being drawn into terrorism. See Appendix B for further information on Southfields Primary School's Prevent duty.

4.15 If any member of staff is unsure about signs of abuse or neglect, they should speak to the Designated Safeguarding Lead.

4.16 See Appendix B for further information and guidance on the above issues.³

5 Responding to signs of abuse

5.1 If a member of staff, parent or member of the public is concerned about a child's welfare, they should report it to the designated safeguarding lead as soon as possible. On occasions when the designated safeguarding lead is not available, it should be

reported to the deputy safeguarding lead without delay. Although any member of staff can make a referral to Children's Services where possible there should be a conversation with the Designated Safeguarding Lead.

5.2 If anyone other than the Designated Safeguarding Lead makes a referral to Children's Services or to the police, they should inform the DSL as soon as possible.

5.3 All staff will be alert to indicators of abuse and will report any of the following to the Designated Safeguarding Lead immediately;

- Any concern or suspicion that a child has sustained an injury outside what is reasonably attributable to normal play;
- Any concerning behaviours exhibited by children that may indicate that they have been harmed or are at risk of harm, including unusual changes in mood or behaviour, concerning use of language and/or concerning drawings or stories.
- Any significant changes in attendance or punctuality;
- Any significant changes in a child's presentation;
- Any concerns relating to people who may pose a risk of harm to a child; and/or
- Any disclosures of abuse that children have made.

5.4 There will be occasions where a child discloses abuse directly to a member of staff. If this happens, the member of staff will;

- listen carefully to the child and believe what they are saying;
- not promise confidentiality, as information may need to be passed on so the child and family can receive additional support;
- only ask for clarification if something is unclear and will not ask 'leading' questions;
- report disclosure to the designated safeguarding lead as soon as possible, certainly by the end of the day;
- only discuss the issue with colleagues that need to know about it; and
- will write up the disclosure and pass it to the designated safeguarding lead. It is likely they will have a discussion with the DSL prior to this.

5.5 The designated safeguarding lead will make a decision about the action that needs to be taken following a member of staff raising a concern about a child, or following a direct disclosure. The DSL may;

- Manage support for the child internally;
- Seek advice from the social worker advice line in the MASH;
- Instigate single agency intervention and work directly with the family to improve the situation;
- Offer an Early Help Assessment to provide multi-agency help to a family;
- In cases where children are deemed to be at significant risk of harm, the DSL will refer cases to the MASH for statutory intervention. Parental consent will be obtained wherever possible before referring cases to the MASH. However if the DSL is worried that telling parents will mean the child is at greater risk of harm, we may do this without informing them.

- If parents do not consent to a referral but the school believes that a child is at significant risk of harm, a referral will still be made to Children's Services.

5.6 For further information about the Coventry Safeguarding Children Partnership's 'Right Help, Right Time' guidance, which is used by Southfields Primary School to make decisions about protecting children, please visit <http://www.coventry.gov.uk/righthelprighttime>.

5.7 See page 21 for flowchart of actions that will be taken where there are concerns about a child (taken from Keeping Children Safe in Education, September 2021).

5.8 In cases where members of staff become aware that Female Genital Mutilation (FGM) has been carried out on a female below the age of 18, they have a mandatory duty to report this to the police without delay and will do so. Staff should refer this to the DSL, but the legislation requires regulated health and Children's Service professionals and teachers in England and Wales to make a report to the police where, in the course of their professional duties, they either;

- are informed by a girl under 18 that an act of FGM has been carried out on her;
or
- observe physical signs which appear to show that an act of FGM has been carried out on a girl under 18.

5.9 Peer on Peer Abuse

5.9.1 Southfields Primary School understands that both adults and other children can perpetrate abuse, and can happen inside and outside of school. Peer on peer abuse is taken very seriously. Peer on peer abuse can include bullying (including cyber-bullying, prejudice-based and discriminatory bullying), abuse in intimate personal relationships between peers, physical abuse, sharing of consensual or non-consensual images of videos, causing someone to engage in sexual activity without consent, sexual violence and/or harassment, upskirting, and initiation/hazing ceremonies. The school recognise that safeguarding issues can manifest as peer on peer abuse.

5.9.2 All members of staff will be made aware of the school's policy and procedures with regards to peer on peer abuse. Southfields Primary School will ensure staff understand what is meant by peer on peer abuse and the school policy on peer on peer abuse through staff training.

5.9.3 Southfields Primary School will ensure staff understand what is meant by peer on peer abuse (child on child abuse) and the school policy on peer on peer abuse (child on child abuse) by continuing to promote positive relationships through Southfields GARK School values and through the Jigsaw programme.

5.9.4 In the event that an allegation of peer on peer abuse (child on child abuse) is made, Southfields Primary School will investigate this through in-house systems (See Peer on Peer Abuse– Child on Child Abuse Policy for Guidance) Any allegations will be recorded on CPOMS.

5.9.5 In the event that an allegation of peer on peer abuse (child on child abuse) is made, victims and alleged perpetrators will be supported by the Senior Leadership team, DSL/Pastoral Team and any outside agencies where appropriate.

5.9.6 Southfields Primary School will never pass off peer on peer abuse as 'banter' or 'part of growing up' and recognise that even if there are no reported cases, such abuse may still be taking place. This should be a Zero-tolerance approach as this could lead to a culture of unacceptable behaviours.

5.9.7 Gender/age specific issues may affect our children. This could include but is not exclusive to girls being touched/assaulted or boys being subject to different types of violence and groups.

5.9.8 Southfields Primary School will adhere to guidance set out in Keeping Children Safe in Education (2021) and Sexual Violence and Sexual Harassment in Schools (September 2021) when responding to incidents of peer on peer abuse.

5.9.10 All staff will be made aware that 'upskirting' is a criminal offence.

5.10 Sharing of consensual or non-consensual nude and semi-nude images or videos

5.10.1 "Sharing of consensual or non-consensual nude and semi-nude images or videos" refers to any sharing of youth-produced sexual imagery between children. This includes;

- A person under the age of 18 creating and sharing sexual imagery of themselves with a peer under the age of 18;
- A person under the age of 18 sharing sexual imagery created by another person under the age of 18 with a peer under the age of 18 or an adult;
- A person under the age of 18 being in possession of sexual imagery created by another person under the age of 18.

5.10.2 The school has a responsibility to educate children in the risks relating to 'sharing consensual or non-consensual nude images or videos' and how to keep themselves safe online. (*Link to Online Safety Policy/PHSE policy here*).

5.10.3 Any incidents or suspected incidents of 'sharing consensual or non-consensual nude images or videos' should be reported to the DSL without delay.

5.10.4 Once reported to the DSL, the DSL will decide on the appropriate course of action. This could include;

- Referrals to the MASH in regards to both peers (also the police if urgent response required);
- Confiscation of mobile phones in line with guidance 'Searching, Screening and Confiscation, (January 2018);
- Support for young people involved to prevent reoccurrence;
- Sanctions in accordance with behaviour policy;

5.10.5 Any incidents of 'sharing consensual or non-consensual nude images or videos' involving the following will result in a MASH and sometimes a Police referral;

- Adult involvement;
- Coercion or blackmail;
- Children under the age of 13;
- Extreme, or violent content;
- Immediate risk of harm.

5.10.6 Staff will not view images or videos on pupil devices. Confiscated devices will be stored securely and passed to the relevant agencies.

5.10.7 We will work with parents as necessary if their child is involved in the sharing of consensual or non-consensual nude images or videos.

5.10.8 We operate a culture of safeguarding and young people should feel confident to disclose if they have sent an inappropriate image of themselves. Children will always be supported to retrieve and delete the images.

5.11 Peer on Peer Sexual Violence and Sexual Harassment

5.11.1 Sexual Violence and sexual harassment, just like the above types of Peer on Peer abuse, can occur both in and out of school (online and face to face) between children of any age and sex and is never acceptable. This includes children from Primary school through to Secondary and higher. Examples of this are:

- rape;
- assault by penetration;
- sexual assault;
- causing someone to engage in sexual activity without consent;
- sexual comments including on social media;
- sexual jokes;
- physical behaviour;
- online sexual harassment;
- sharing of unwanted explicit content;
- upskirting;
- sexualised online bullying;
- sexual exploitation, coercion and threats.

All members of staff at Southfields Primary School maintain the attitude of 'It can happen here' to ensure all children are safeguarded. One way this is done is by addressing inappropriate behaviour [Behaviour and Discipline Policy \(southfieldsprimary.org\)](https://www.southfieldsprimary.org/behaviour-and-discipline-policy). All staff understand that by not addressing this promptly, children's educational attainment may be impacted if the alleged perpetrator attends the same setting.

5.11.2 Southfields Primary School will reassure the victim that they are being taken seriously and will be supported and kept safe. The Designated Safeguarding Lead (or

deputy) will take a lead role on reports whilst using their professional judgement, and liaising with other agencies by following the below protocol;

- when possible, two members of staff will be present where the report includes an online element. Staff will not view illegal images of children;
- will not promise confidentiality as reports will need to be passed onto Children's Service (and in some cases, the Police);
- recognises that a child is more likely to disclose to a member of staff they have the strongest relationship with;
- an initial disclosure may be the first incident that is reported rather than a singular event;
- some children may face barriers to disclosing such as, additional needs, vulnerability, sex, ethnicity and possibly sexual orientation;
- will always listen carefully to the child whilst being non-judgemental;
- write up the factual parts of the disclosure as soon as the child has finished disclosing;
- liaise with the MASH (and police if urgent response required).

5.11.3 Nevertheless, the victim will never be given the impression that they are creating a problem by reporting sexual violence and/or harassment. Staff will be aware of the importance of challenging inappropriate behaviours; making it clear it is never accepted, tolerated and is not a part of growing up or banter.

5.11.4 In some cases, a risk assessment may be required but will be kept under constant review.

5.12 Serious Violence

5.12.1 All staff will be made aware of indicators, which may signal that children are at risk of, or are involved with serious violent crime such as absence from school, a change in friendship/relationship, a significant decline in performance, signs of self-harm or change in wellbeing, or sign of unexplained injury.

5.12.2 All staff will be made aware of the range of risk factor which will increase the likelihood of involvement in serious violence, criminal networks and gangs and understand the measures in place to prevent these.

5.12.3 All staff will have an awareness of Child Criminal Exploitation and behaviours linked to Child Criminal Exploitation. Further information about Child Criminal Exploitation can be found in paragraph 51 of Keeping Children Safe in Education (2021).

5.13 Searching, Screening and Confiscation

5.13.1 Where necessary, searching, screening and confiscation will be used to safeguard a child/children at Southfields Primary School

5.13.2 Southfields Primary School adheres to 'Searching, Screening and Confiscation: Advice for Schools (January 2018).

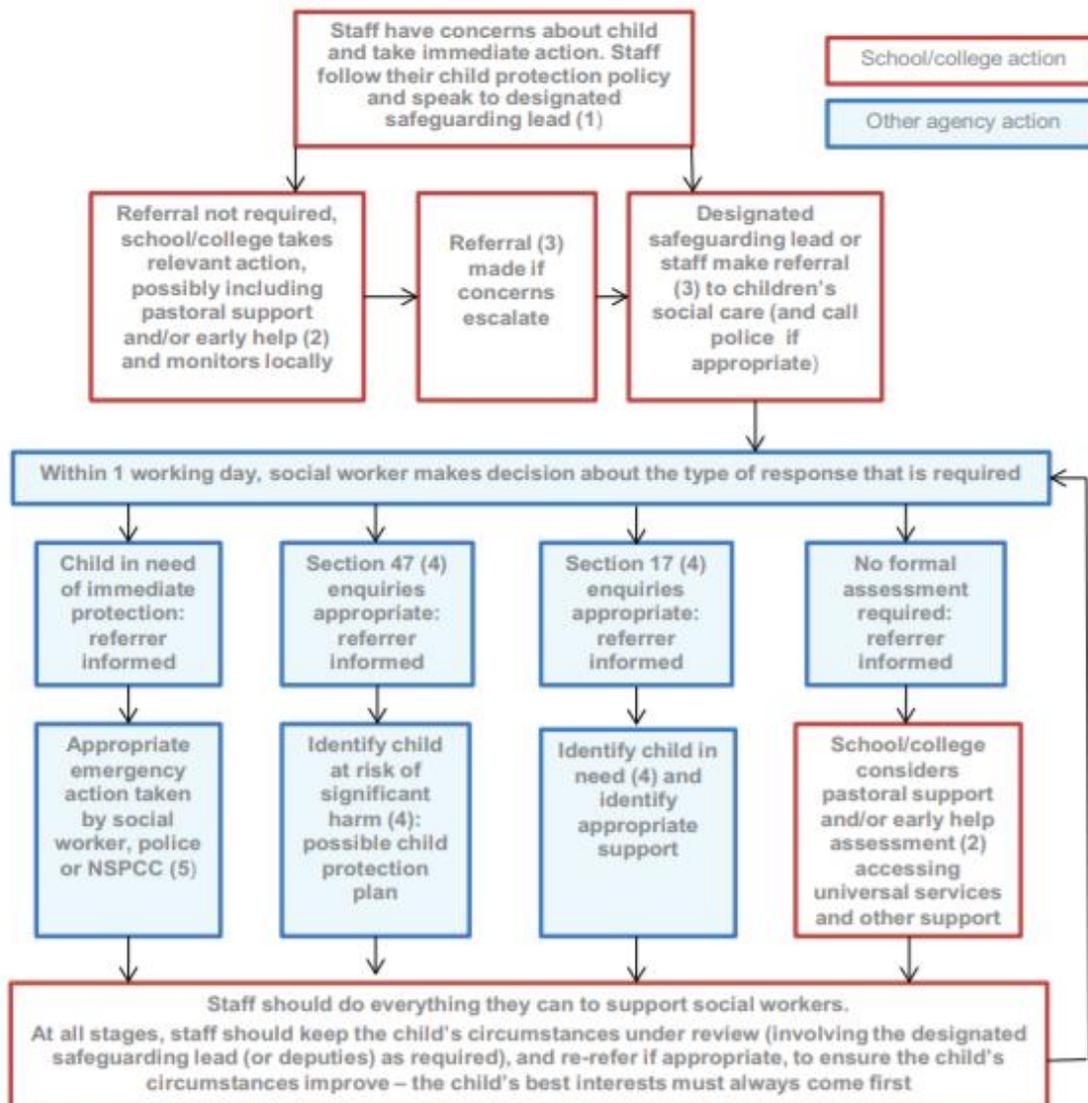

5.13.3 Please see searching, screening and confiscation policy for further information

5.14 Extra-Familial Harm

5.14.1 Southfields Primary School recognises that safeguarding incidents can be associated with factors outside the school and may take place outside of school. We also recognise that safeguarding incidents or behaviours can occur between children outside of school. We will always consider contextual safeguarding factors when responding to safeguarding incidents.

5.14.2 All staff will be made aware that safeguarding incidents and/or behaviours can be associated with factors outside the Southfields Primary School and/or can occur between children outside these environments.

Actions where there are concerns about a child

- (1) In cases which also involve a concern or an allegation of abuse against a staff member, see Part four of this guidance.
- (2) Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, an early help inter-agency assessment should be arranged. Chapter one of [Working Together to Safeguard Children](#) provides detailed guidance on the early help process.
- (3) Referrals should follow the process set out in the local threshold document and local protocol for assessment. Chapter one of [Working Together to Safeguard Children](#).
- (4) Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. Children in need may be assessed under section 17 of the Children Act 1989. Under section 47 of the Children Act 1989, where a local authority has reasonable cause to suspect that a child is suffering or likely to suffer significant harm, it has a duty to make enquiries to decide whether to take action to safeguard or promote the child's welfare. Full details are in Chapter one of [Working Together to Safeguard Children](#).
- (5) This could include applying for an Emergency Protection Order (EPO).

5.15 To raise concerns about children, members of staff should contact the Multi-Agency Safeguarding Hub (MASH) by telephone to discuss the referral. They should then

complete the online Multi-Agency Referral Form (MARF) and submit this to the MASH. The school will follow up referrals if we do not receive feedback from Children's Services.

MASH Telephone number: 02476 788 555

MASH online referral form: <http://www.coventry.gov.uk/safeguardingchildren>

Out of hours Emergency Duty Team: 02476 832 222

Prevent/Channel Referrals: Refer to MASH (mash@coventry.gov.uk) and to CTU_GATEWAY@west-midlands.pnn.police.uk

5.16 If a child's situation does not appear to be improving following a referral, the school may re-refer the child. We will also consider using the Coventry Safeguarding Children Partnership's Managing Professional Disagreements policy to ensure that our concerns have been addressed and that the situation improves for the child.

6 Record-keeping

6.1 Information will be kept confidential and stored securely.

6.2 A written record of all safeguarding and/or child protection concerns, discussions and decisions made will be kept in individual children's files. This will be separate from the main school file and will only be accessed by the relevant safeguarding staff.

6.3 Southfields Primary School keeps all safeguarding files electronically, *using a system called CPOMs*.

6.4 Staff will submit all concerns in writing to the DSL at the earliest opportunity. This may be after having a verbal conversation, but conversations will also be followed up in writing.

6.5 In the event that a child moves school, the safeguarding file will be transferred to the new setting securely and separately from the main school file. Once received by the new school, this school will not retain the information.

6.6 The school will seek at least two emergency contacts for every child.

6.7 All data processed by Southfields Primary School is done so in line with the General Data Protection Guidelines and the Data Protection Act (2018). Please see the following policies for additional information;

[GDPR Privacy Notice for Schools](#)

6.8 Further information regarding information sharing and data processing in relation to safeguarding can be found in Part One of Keeping Children Safe in Education (September 2021).

7 Photography and Images

7.1 Consent from parents to photograph children at school events for promotional reasons will be sought when the child joins *the school*. *(Include here if you plan to seek consent annually/your own procedures for managing this).*

7.2 Parents can withdraw consent at any time and must notify Southfields Primary School if they do not wish their child's photographs to be used.

7.3 Photographs of children used publicly will not be displayed with their name or other personal information.

7.4 Photographs of children will be processed in line with the General Data Protection Regulation.

(Include linked list here of relevant data policies or school photography policy if there is one)

8 Early Help

8.1 Southfields Primary School is committed to supporting families as soon as a possible problem arises. It is more effective to support a family through early help than reacting to a problem later. Everyone who comes into contact with children and their families and carers have a role to play in safeguarding children. Southfields Primary School works closely with its neighbouring family hub to work with families in the community to improve outcomes for children.

8.2 Southfields Primary School works within the Coventry Safeguarding Children Partnership's ['Right Help, Right Time'](#) framework, available on the CSCP website.

9 Staff training

9.1 In order for staff to be able to understand and discharge their safeguarding and child protection duties, Southfields Primary School has committed to training staff throughout the academic year. All staff members will be made aware of Southfields Primary School safeguarding processes and structures and will receive training on these as part of their induction. As part of this training and their annual refresher, they will also receive;

- This 'Safeguarding and Child Protection Policy';
- The staff Code of Conduct
- Copies of Part 1 and/or Annex A of Keeping Children Safe in Education (September 2021)
- School procedures for Children Missing Education

- The school Behaviour Policy

9.2 Staff will also receive regular safeguarding and child protection updates, including on online safety, as required but at least annually (for example, through emails, e-bulletins and staff meetings). Governors and new staff (as part of their induction) will receive safeguarding training.

9.3 Southfields Primary School recognise that children may engage in risky behaviours that may put them at additional risk of danger. These can include drug taking, alcohol abuse, truancy and the sharing of consensual or non-consensual nude images or videos⁵. Staff will be training in these areas in order to be able to further recognise if a child is at risk of harm.

10 Safer Recruitment

10.1 Southfields Primary School is committed to providing children with a safe environment, in which they can learn. We take safer recruitment seriously and all staff are subject to the following checks;

- Identity check;
- DBS clearance;
- Prohibition from teaching checks (where required);
- Barred List check;
- Section 128 checks (as required - leadership and management);
- Reference check (two references required);
- Professional qualifications check ;
- Right to work in the UK check;
- Further checks for those who have lived outside the UK;
- Disqualification Under the Childcare Act 2006 checks (as required).
- Verification on the candidate's mental and physical fitness may also be checked.

10.2 A record of all checks on members of staff will be held on the Single Central Record.

10.3 All new members of staff will be required to obtain DBS clearance. Southfields Primary School reserves the right to re-check DBS clearance for any member of staff where information is received that indicates that they may pose a risk to children and may ask candidates to be registered on the DBS update service.

10.4 At least one member of every interview panel will have undergone Safer Recruitment training which will be refreshed every 2 years.

10.5 We take proportionate decisions on whether to check individuals beyond what is required.

10.6 Any visitor to the school who has not been subject to the necessary checks will be supervised at all times and risk assessed.

10.7 All safer recruitment practices at Southfields Primary School comply with Keeping Children Safe in Education (September 2021). See Part 3 of Keeping Children Safe in Education (September 2021) for further information.

1.1 See *Safer Recruitment policy* for further details.

11 Allegations of abuse against staff

11.1 *The school* takes all safeguarding concerns and/or allegations against staff seriously and will manage them in line with this policy, **Part Four of Keeping Children Safe in Education (September 2021) and the CSCP Guidance, '[Allegations Against Staff and Volunteers](#)'. [LINK UPDATED](#)**

11.2 Allegations or concerns may include

- Staff having behaved in a way that has harmed a child, or may have harmed a child;
- Staff possibly committing a criminal offence against or related to a child;
- Staff behaving towards a child or children in a way that indicates that he or she may pose a risk of harm to children; or
- Staff behaving or possibly behaving in a way that indicates they may not be suitable to work with children (including behaviour outside of work). This is known as 'Transferable risk'.

11.3 If a concern or allegation of abuse arises against the Headteacher, it must be reported to the *Chair of Governors (or equivalent)* without delay.

11.4 If a concern or allegation of abuse arises against any member of staff, supply teacher, volunteer or contractor other than the Headteacher, it must be reported to the Headteacher without delay.

11.5 Concerns or allegations of abuse against staff must be reported to the Headteacher or Chair of Governors as appropriate and not discussed directly with the person involved.

11.6 The Headteacher or Chair of Governors should consider if the concern or allegation meets the threshold for Designated Officer intervention. The details of the LAdo can be found at the front of this policy.

11.7 Concerns relating to a position of trust issue will be referred to the Local Authority designated officer within 24 hours.

11.8 If a child has suffered or may have suffered abuse or harm, a MASH referral will also be made.

11.9 In the instances where an allegation is dealt with internally, the Local Authority designated officer will provide information and support to Southfields Primary School in managing the allegation.

11.10 A referral to the Disclosure and Barring Service will be made if a member of staff is dismissed or removed from their post as a result of safeguarding concerns, or would have been removed if they had not have resigned.

11.11 Supply Teachers and all contracted staff

11.11.1 Although the school does not directly employ supply teachers and contractors, the school will ensure that any concerns or allegations are handled properly.

11.11.2 The school will never cease to use a supply teacher for safeguarding reasons without liaising with the Local Authority Designated Officer and reaching a suitable outcome.

11.11.3 Governing bodies/proprietors will liaise with the supply agency to determine whether to suspend or redeploy the supply teacher whilst they carry out their investigation.

11.11.4 The school will inform supply agencies of its process for managing allegations, including inviting the agency's human resource manager (or equivalent) to meetings and regularly updating agencies on relevant school policies. The school will usually take the lead because agencies do not have direct contact with children or staff, so will not be able to collect facts.

11.12 Governors

11.12.1 If an allegation or concern is about a Governor, Southfields Primary School will follow local procedures.

11.13 Volunteers

11.13.1 Risk assessments and a DBS check will be requested for all volunteers. Under no circumstances will a volunteer whereby no checks have been carried out will be alone with children or allowed to work in regulated activity.

11.14 Whistleblowing

11.14.1 Southfields Primary School operates a culture of safeguarding and all staff should report any concerns about poor or unsafe practice, or Southfields Primary School safeguarding processes to the senior leadership team.

11.14.2 The senior leadership team will take all concerns seriously.

11.14.3 In the event that a member of staff is unable to raise an issue with senior leadership in school, they should refer to Part 1 of Keeping Children Safe in Education for additional guidance on whistleblowing procedures.

12 Promoting safeguarding and welfare in the curriculum

12.1 Southfields Primary School recognises the importance of teaching children how to stay safe and look after their mental health and are committed to equipping children with the skills and knowledge to have successful and happy lives.

12.2 The school will teach children about safeguarding, including online safety. As part of a broad and balanced curriculum, the school will cover relevant issues in line with government guidance on Relationships Education, Relationships and Sex Education and Health Education

12.3 Children at Southfields Primary School will receive the following as part of our promotion of safeguarding across the curriculum: Online Safety, PSHE, SMSC, NSPCC PANTS & In CTRL, St Giles Trust - Knife Crime/Gangs, CSE & bullying workshops, whole school assemblies, road safety, Positive Youth Foundation, mindfulness, yoga, Protective Behaviours, mental health workshops.

Parent workshops:

Online Safety, mental health awareness, child accident prevention.

12.4 Education at home and remote learning – Safeguarding Addendum -updated when required. See Appendix C.

13 Children Looked After

13.1 The most common reason for children to be looked-after is because they have experienced abuse and/or neglect. Southfields Primary School recognises that children looked after may have additional vulnerabilities. The Designated Lead for Looked-After and Previously Looked-After Children is Mrs Tarina Slater & Mrs Lucy Ledbrooke.

13.2 Staff will receive training on how to best safeguard children who are Looked-After and Previously Looked-After.

13.3 The school will work with Personal Advisors when children leave care (where applicable).

13.4 Southfields Primary School is committed to working with other agencies to ensure the best outcomes for Looked-After and Previously Looked-After children.

14 Children with Special Educational Needs and Disabilities or physical health needs

14.1 As outlined in Keeping Children Safe in Education (2021), Southfields Primary School is aware that children with additional needs or disabilities may be more vulnerable to

abuse and additional barriers may exist when recognising abuse and neglect. This could be because;

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- being more prone to peer group isolation or bullying than other children;
- the potential for children with SEN and disabilities or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.⁶

14.2 Staff will be trained in recognising signs of abuse in children with SEN and disabilities or certain medical conditions.

14.3 Staff will take into account the needs of a child when responding to concerns of abuse or when taking a disclosure. We recognise that some children require specialist intervention to communicate and advice from the SENCO will be sought in these circumstances.

14.4 Safeguarding learning opportunities within the curriculum will be appropriately differentiated to ensure all children can access it.

15 Use of reasonable force

15.1 There may be occasions when staff are required to use reasonable force to safeguard children. We will not use any more force than is necessary.

At Southfields Primary School positive handling and restraint of children will only ever be used as a last resort at the school and will be reinforced with high quality staff training and thorough risk assessing procedures. Positive handling will only be used when all other strategies have failed or to prevent injury or harm to the child or other people at the school. Positive handling may be required to help facilitate the inclusion of children with social, emotional and behavioural difficulties and will only be carried out by members of staff who have undergone accredited training. All incidents are recorded in the positive handling log in the Head Teachers office; records are also kept on CPOMS. Positive handling will be used in conjunction with the Behaviour Management Policy

16 Work Experience

Any person completing work experience or voluntary work are inducted by the Head Teacher and the DSL. The induction covers safeguarding procedures, and all inductees are expected to read this policy before signing the induction form.

17 Summary

17.1 The school is committed to safeguarding children and will always make safeguarding decisions that are in the best interests of each child. For further information or if you have any queries about this policy, please contact the school.

Appendix B – Further Safeguarding Information

Types of Abuse

As outlined in paragraph 4.4, the school will take action if we believe a child is at risk of or is suffering from abuse. Abuse is not limited to physical, emotional, sexual abuse and neglect. For further information on the definitions of the types of abuse below, please refer to Keeping Children Safe in Education (2021), Annex A.

See below for policy information relating to other key safeguarding issues. All decisions taken in responding to concerns of abuse will be taken in the best interests of the child.

Southfields Primary School takes all issues and types of abuse seriously, including, but not exclusive to; Bullying, including cyber- or online-bullying, Criminal exploitation (including involvement in county lines), Domestic abuse (where we work closely with other agencies to share information confidentially and support families), Fabricated or induced illness, Faith-based abuse, Female genital mutilation (a form of so-called 'honour-based' violence), Forced marriage ((a form of so-called 'honour based' violence), Gangs or youth violence, Gender-based violence, Hate, Homelessness, (So-called) 'Honour-based' violence, serious violence, Radicalisation and Extremism (please see policy), Relationship abuse, Sexual violence or sexual harassment (including peer-on-peer abuse-child on child abuse), Sexting, Trafficking and modern slavery, We will endeavour to support families who experience these types of abuse. We will seek advice from appropriate agencies to support our pastoral team, where needed. We will continue to work with the community and understand that these types of abuse can take many forms. We teach to be respectful and considerate but also to share any concerns. The above will be reviewed half-termly as part of the safeguarding meetings.

Bullying, including cyber- or online-bullying

The school takes all forms of bullying seriously and will respond sensitively and quickly to any reported bullying. Children should report any bullying to their class teacher, to the DSL or to any trusted member of staff and we will work to resolve it.

We also teach the children at Southfields School about the dangers of bullying through our curriculum, class workshops alongside the NSPCC.

Bullying can take many forms and we have several policies that cover different aspects of bullying. Please see the Anti-Bullying Policy, the Behaviour Policy and paragraph 5.8 of this policy for further information.

Child criminal exploitation (including involvement in county lines)

Staff in school are aware of the occurrence of children being vulnerable to potential exploitation through links with older children in the community, online gaming and social media. Contextual knowledge of our community/family's and staff vigilance means that concerns are logged and acted upon promptly. Children are taught about the dangers of being influenced and involved in criminal activities during PSHE lessons at an age-appropriate level, i.e. Year 6 children are introduced to the Precious Lives project an initiative set up with the West Midland Police. Parents are also offered support via workshops during the year. St Giles Trust also deliver awareness sessions on knife crime and gang culture.

Domestic abuse – Southfields is an Operation Encompass school; this means that we receive logs from the police following any domestic violence/abuse incidents that have

taken place in a child's home within the last 24 hours. Staff do not discuss this with parents and understand the implications of doing so. Any disclosures of domestic abuse made by a child or parent are reported to the MASH team as required and expected.

Operation Encompass

Fabricated or induced illness

Attendance is monitored very closely at Southfields Primary School, reasons around absence are sought from parents/carers, where we feel there are concerns around fabricated or induced illness, we would invite parents in for an informal conversation with our Pastoral team. If persistent absence was to continue, we would seek support from our Local Authority Attendance Officer. The children/family may be discussed out our Early Help Children's meeting with our Early Help Coordinator and Local Authority Attendance Officer. Staff would also monitor the child/children and parents and record their concerns on CPOMS. If the concerns raised continued, we would seek advice from the MASH team.

Faith-based abuse

The term 'belief in spirit possession' is the belief that an evil force has entered a child and is controlling him or her. Sometimes the term 'witch' is used and is the belief that a child is able to use an evil force to harm others. In all these cases, genuine beliefs can be held by families, carers, religious leaders, congregations, and the children themselves that evil forces are at work. Families and children can be deeply worried by the evil that they believe is threatening them and abuse often occurs when an attempt is made to 'exorcise', or 'deliver' the child. Exorcism is the attempt to expel evil spirits from a child. (Safeguarding Children from Abuse Linked to a Belief in Spirit Possession 2007)

The belief in 'possession' or 'witchcraft' is widespread. It is not confined to countries, cultures or religions, nor is it confined to new immigrant communities in this country.

Any concerns about a child, which arise in this context, must be taken seriously and reported to the DSL's urgently and a referral will be made to the MASH team and police if necessary.

Female genital mutilation (A form of so-called 'honour-based' abuse)

Staff have knowledge of types, indicators and symptoms of FGM. All staff understand they have a mandatory duty to report to the police without delay, if they become aware that FGM has been carried out on a female below the age of 18. Staff will monitor and look out for unusual/changes in behaviour. Our attendance officer will also meet families

who are looking to take extended leave, especially near to school holidays and will ask families where we have concerns.

Forced marriage (A form of so-called 'honour-based abuse')

Staff understand the implications of forced marriage on our children. Staff are aware of the police teams and charities (see below) that work with victims of forced marriage and fully understand the necessity to report concerns raised by our children, whether those concerns be for themselves, siblings or parents. After conversations with family members or the child, the DSL will seek advice from the Forced Marriage Unit, contact the MASH team and/or police accordingly.

(So-called) 'Honour-based' abuse

Staff would report concerns following the safeguarding procedures and if appropriate would be raised with the family. The MASH and/or police are contacted as appropriate. Themes around HBV may be explored during SMSC/PSHE if raised by the children.

Gangs or youth violence

Using the PSHE Jigsaw programme of study we raise conflict and resolution and as part of this have open discussions with children as to how problems can be solved. If children at Southfields were raising concerns about older siblings, the DSL would contact the sibling's school where possible to share those concerns and decide together on an appropriate course of action.

Homelessness

Staff are aware of the on-going concerns for many of our family's that become homeless. The Pastoral Team at Southfields will always seek to support families struggling to find stable accommodation and are aware of the changes to benefits and the Universal Credit system that has added pressure to our families' budgets. Southfields Pastoral Team works closely with the Breakthrough Project which helps people across Coventry and

Warwickshire who are experiencing poverty and disadvantage through 'money mentoring' sessions.

Radicalisation and Extremism – Preventing radicalisation

Radicalisation refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups

Extremism is vocal or active opposition to fundamental British values, such as democracy, the rule of law, individual liberty, and mutual respect and tolerance of different faiths and beliefs. This also includes calling for the death of members of the armed forces

Terrorism is an action that:

- Endangers or causes serious violence to a person/people;
- Causes serious damage to property; or
- Seriously interferes or disrupts an electronic system

The use or threat of terrorism must be designed to influence the government or to intimidate the public and is made for the purpose of advancing a political, religious or ideological cause.

Schools have a duty to prevent children from being drawn into terrorism. The DSL will undertake Prevent awareness training and make sure that staff have access to appropriate training to equip them to identify children at risk.

We will assess the risk of children in our school being drawn into terrorism. This assessment will be based on an understanding of the potential risk in our local area, in collaboration with our local safeguarding partners and local police force.

We will ensure that suitable internet filtering is in place and equip our pupils to stay safe online at school and at home.

There is no single way of identifying an individual who is likely to be susceptible to an extremist ideology. Radicalisation can occur quickly or over a long period.

Staff will be alert to changes in pupils' behaviour.

The government website [Educate Against Hate](#) and charity [NSPCC](#) say that signs that a pupil is being radicalised can include:

- Refusal to engage with, or becoming abusive to, peers who are different from themselves
- Becoming susceptible to conspiracy theories and feelings of persecution
- Changes in friendship groups and appearance
- Rejecting activities they used to enjoy
- Converting to a new religion

- Isolating themselves from family and friends
- Talking as if from a scripted speech
- An unwillingness or inability to discuss their views
- A sudden disrespectful attitude towards others
- Increased levels of anger
- Increased secretiveness, especially around internet use
- Expressions of sympathy for extremist ideologies and groups, or justification of their actions
- Accessing extremist material online, including on Facebook or Twitter
- Possessing extremist literature
- Being in contact with extremist recruiters and joining, or seeking to join, extremist organisations

Children who are at risk of radicalisation may have low self-esteem or be victims of bullying or discrimination. Staff should have confidence in their instincts and seek advice if something feels wrong.

Southfields Primary School is committed to providing a secure environment for pupils, where children and young people feel safe and are kept safe. All adults at the school recognise that safeguarding is everyone's responsibility irrespective of the role they undertake or whether their role has direct contact or responsibility for children or not.

Staff have received training on Prevent and completed the Channel Awareness training online. Staff are fully aware of their responsibilities to report any concerns to the DSL. Staff also fully understand radicalisation and extremism in the context of our community and will discuss both during PHSE/SMSC lessons with children at an age-appropriate level. Any concerns that staff have, will be discussed with parents (and in some cases the MASH team and/or the police) Staff can seek advice from Manjeet Pangli the Prevent Officer in Coventry, who offers support and challenge in relation to the Prevent agenda, furthermore support will be offered via Channel referrals when the DSL feels this is appropriate after discussions with all of the above.

Relationship abuse

Coercive behaviour is not tolerated at Southfields Primary School and whilst our children may not be of age to participate in typical relationship abuse, our staff are vigilant of signs of manipulation within social and peer groups and will challenge this via our behaviour policy. Should a child make a disclosure about themselves, older siblings or

friends and /or parents, which include indicators of relationship abuse, the DSL will follow up with advice from MASH and refer where necessary.

Serious Violence

Indicators which may signal that a child is at risk from, or involved with, serious violent crime may include:

- Increased absence from school
- Change in friendships or relationships with older individuals or groups
- Significant decline in performance
- Signs of self-harm or a significant change in wellbeing
- Signs of assault or unexplained injuries
- Unexplained gifts or new possessions (this could indicate that the child has been approached by, or is involved with, individuals associated with criminal networks or gangs and may be at risk of criminal exploitation (see above))
- Risk factors which increase the likelihood of involvement in serious violence include:
 - Being male
 - Having been frequently absent or permanently excluded from school
 - Having experienced child maltreatment
 - Having been involved in offending, such as theft or robbery

Staff are aware of these indicators and risk factors. If a member of staff has a concern about a pupil being involved in, or at risk of, serious violence, they will report this to the DSL.

Sexual violence or sexual harassment (including peer-on-peer abuse)

Sexual violence and sexual harassment can occur:

- Between 2 children of any age and sex
- Through a group of children sexually assaulting or sexually harassing a single child or group of children
- Online and face to face (both physically and verbally)
- Sexual violence and sexual harassment exist on a continuum and may overlap.

Children who are victims of sexual violence and sexual harassment will likely find the experience stressful and distressing. This will, in all likelihood, adversely affect their educational attainment and will be exacerbated if the alleged perpetrator(s) attends the same school.

If a victim reports an incident, it is essential that staff make sure they are reassured that they are being taken seriously and that they will be supported and kept safe. A victim should never be given the impression that they are creating a problem by reporting

sexual violence or sexual harassment. Nor should a victim ever be made to feel ashamed for making a report.

Some groups are potentially more at risk. Evidence shows that girls, children with SEN and/or disabilities, and lesbian, gay, bisexual and transgender (LGBT) children are at greater risk.

Staff should be aware of the importance of:

Challenging inappropriate behaviours

Making clear that sexual violence and sexual harassment is not acceptable, will never be tolerated and is not an inevitable part of growing up

Challenging physical behaviours (potentially criminal in nature), such as grabbing bottoms, breasts and genitalia, pulling down trousers, flicking bras and lifting up skirts. Dismissing or tolerating such behaviours risks normalising them

Southfields Primary School promotes a zero-tolerance policy in regards to any kind of sexual violence or sexual harassment (including peer on peer abuse) If staff have a concern about a child or a child makes a report to them which relates to child-on-child sexual violence and/or sexual harassment, they are expected to speak to the DSL

Children missing from education, home or care

The school will also take action to protect;

- Children missing education
- Children missing from home or care

Children Missing in Education

Southfields School sets high expectations for attendance (see Attendance Policy) As a result of this, where children are absent from school, contact is established with the family, usually a phone call in the first instance and then a home visit is completed if no contact is made or in addition to the phone call.

If after a telephone call and home visit, no contact is made (which includes contacting the named emergency contacts) the DSL will contact Southfields Primary Schools Early Help Coordinator for further advice and guidance.

Should we have further concerns and a child is absent for 20 days, we will complete the CME documentation as set out in the DfE guidance – Children Missing in Education.

[Children missing in education](#)

Where we have concerns that children and their families have moved out of the area, or are unable to attend school for reasons that cause concern – fleeing DV; FGM; criminal behaviour; substance misuse; poor mental health etc, then we will refer to the MASH

team as appropriate. Staff are fully aware of all concerns that may lead to absences from school and receive regular updates on the various issues during staff training.

Early Help meetings are held between school and the local authority on a termly basis for those whose attendance is below 90%.

Children missing from home or care

Children missing in education

As above, but this may also be reported to Social Care and the police.

Private Fostering

The school have a duty to refer any children who are living in a private fostering arrangement to the local authority.

We will do this through a MASH referral. It is important that parents/carers inform us if a child is going to be staying at an alternative address to that of their primary care-givers for more than 28 days.

A private fostering arrangement is essentially one that is made privately (that is to say without the involvement of a local authority) for the care of a child under the age of 16 (under 18, if disabled) by someone other than a parent or close relative with the intention that it should last for 28 days or more. Private foster carers may be from the extended family, such as a cousin or great aunt. However, a person who is a relative under the Children Act 1989 i.e. a grandparent, brother, sister, uncle or aunt (whether of the full or half blood or by marriage) or stepparent will not be a private foster carer. A private foster carer may be a friend of the family, the parent of a friend of the child, or someone previously unknown to the child's family who is willing to privately foster a child. The period for which the child is cared for and accommodated by the private foster carer should be continuous, but that continuity is not broken by the occasional short break. Exemptions to this definition are set out in Schedule 8 to the Children Act 1989

Indicators of abuse

See below for possible indicators of abuse. (Taken from *What to do if you are worried a child is being abused*, 2015)

- Children whose behaviour changes – they may become aggressive, challenging,
- disruptive, withdrawn or clingy, or they might have difficulty sleeping or start wetting the bed;
- Children with clothes which are ill-fitting and/or dirty;
- Children with consistently poor hygiene;
- Children who make strong efforts to avoid specific family members or friends,
- without an obvious reason;

- Children who don't want to change clothes in front of others or participate in physical activities;
- Children who are having problems at school, for example, a sudden lack of concentration and learning or they appear to be tired and hungry;
- Children who talk about being left home alone, with inappropriate carers or with strangers;
- Children who reach developmental milestones, such as learning to speak or walk, late, with no medical reason;
- Children who are regularly missing from school or education;
- Children who are reluctant to go home after school;
- Children with poor school attendance and punctuality, or who are consistently late
- being picked up;
- Parents who are dismissive and non-responsive to practitioners' concerns;
- Parents who collect their children from school when drunk, or under the influence of drugs;
- Children who drink alcohol regularly from an early age;
- Children who are concerned for younger siblings without explaining why;
- Children who talk about running away; and
- Children who shy away from being touched or flinch at sudden movements.

The school recognises that the above list of indicators is not exhaustive and staff will receive training on indicators of abuse.
